# why choose Regency?

## Firespace Conversation Tables

The creation of outdoor living spaces and the introduction of fire to create ambiance and comfort is one of the fastest growing trends today. Regency engineers and designers have created a broad family of complete firespace options for the outdoor room. These complete fire table systems include coffee tables, dining and cocktail tables that invite outdoor living at it's finest. They are finished with durability and style in mind in a beautiful, weather resistant finish that can be customized with stainless, slate, tile or your very own inspired choice. In addition, we have created a specialized burner and firebox system that allows the ultimate in Outdoor Fireplace Customization combining your materials with a spectacular Regency firescape.

## Regency Quality .... Built to last

For over 30 years, Regency has carefully researched trends to develop fireplaces that solve your heating needs and inspire style in your home. Every detail of the Regency Outdoor line, from the robust, warming fires to the finely crafted accessories are designed to draw your friends and family to linger longer in your beautiful, comforting outdoor room. No more hanging around the kitchen... your Regency Outdoor Firespace will be the new gathering place.

# Regency Plateau™ PTO30CFT

Coffee Firetable

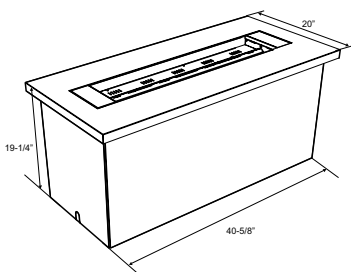

Plateau PTO30CFT Coffee firetable shown with stainless steel top, copper crystals and wind shield.

## Linger outdoors longer... in style

Regency's versatile firetables are perfect for outdoor entertaining. At 20" tall, the sleek linear style of the Regency Plateau™ coffee fire table creates the perfect gathering space. Available with a Stainless Steel or Sunset Bronze Powder Coated top, you can further customize the coffee fire table with the choice of multiple firebed options. The Regency Plateau is crafted from the highest quality materials and durable construction; built to withstand the outdoor elements.

Plateau PTO30CFT Cocktail firetable shown with Sunset Bronze top and volcanic stones.
