AMERICAN OUTDOOR GRILL

RH PETERSON COMPANY | AMERICAN OUTDOOR GRILL COLLECTION CATALOG

CRAFTED WITH PRIDE  IN THE USA

Special moments like a family barbecue or a celebration with friends and neighbors are made even more so with the American Outdoor Grill.

Designed and manufactured by the company that brings you Fire Magic® Premium Grills, these grills add style and cooking excellence to your outdoor kitchen. The AOG is made of the finest commercial-grade stainless steel and features a large cooking surface with stainless steel rod cooking grids. High BTU's capacity allows for searing, while a recessed back burner, spit rod and motor permits slow, rotisserie cooking. Create your entire meal on the versatile American Outdoor Grill!

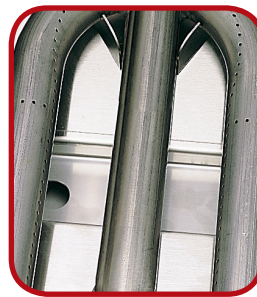

Backyard Perfection.

Available w/o back burner and warming rack: Model 24NP-00SP

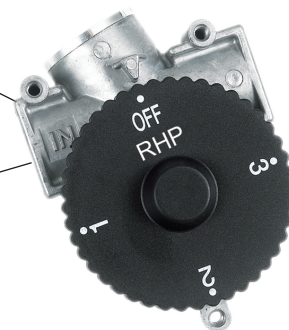

MODEL 24NG

Available w/o back burner and warming rack: Model 24NG-00SP

POST MODELS COLLECTION

Designed for condos, apartment homes or anywhere space is at a premium, the American Outdoor Grill In-Ground and Patio Post Mount units pack a lot of grilling potential into smaller spaces. The In-Ground Grill model must be cemented into the ground. Patio Post models may be bolted to a deck or concrete slab. Both feature a back burner, warming rack and dual side shelves standard. Optional stainless steel tank shield is designed to conceal unsightly propane tank while safety chain keeps tank securely in place.

Pedestal and In-Ground models include a three hour safety timer that automatically shuts the gas off. Also available as a retrofit on any AOG model. Installs quickly and easily.

- Stainless steel tubular handles
- Double wall construction
- Cut-out is **height x width x depth**
