

Napoleon[®] Gas Burning Stoves

From our family to yours

With over 30 years in the hearth industry, we are able to offer you a wide range of products, all proudly carrying the President's Limited Lifetime Warranty. The years of experience, care and quality results in the creation of hearth products that possess a timeless and enduring style, worthy of a place in your home.

As the largest, family owned hearth products and gas grill manufacturer in North America, we invite you to experience the complete family line-up of Napoleon® wood, gas, electric and pellet burning fireplaces, inserts and stoves. Our products are available for viewing at an authorized Napoleon® dealer nearest you or online at www.napoleonfireplaces.com.

WHY NAPOLEON®?

Making your life easier...

Napoleon® gas stoves are designed to provide you absolute comfort and control at the touch of your fingertips. It's that easy. When you install a Napoleon® gas stove, you can rest assured that you will enjoy a lifetime of instant ambiance with reliable performance year after year.

An investment you can count on...

Your new Napoleon® gas stove adds value to your home while at the same time giving you uncompromising comfort and a reliable heating source. Nothing to lose and everything to gain.

Create your personal design statement...

Surround yourself with a home environment that makes you feel good, relaxed and proud to reflect your decorating style. Thousands of designer options are available to create the exact statement you have been looking for.

Highest efficiencies, maximum comfort...

Years of research, design and testing have enhanced optimum performance allowing Napoleon® products to achieve some of the highest heater rating efficiencies on the market. Napoleon® continuously surpasses industry standards not only in appearance but in efficiency and performance.

Beautiful fires, best flame in the industry...

With advanced burner technology and innovative design, Napoleon's flame and exclusive PHAZER™ log sets are so realistic it's hard to tell the difference from a real wood burning fire.

Authorized dealer support network...

With over 3,000 reputable authorized dealers across North America and Europe, Napoleon® provides professional and consistent training and technical support to ensure your stove is installed by a certified, reputable installation technician.

Outstanding Reliable Warranty...

Each and every Napoleon® gas stove is designed and manufactured to strict quality testing standards and backed by the President's Limited Lifetime Warranty, guaranteed to give you the solid performance you deserve. (Registered under the world recognized ISO 9001-2008)

Outstanding Features of Napoleon's Advanced Technology

Advanced Burner Technology

Napoleon's sophisticated burner system offers superior flame technology. Strategically placed burner ports create the most realistic flames in the industry.

Finely Tuned Precision Valves

Surrounded with a protective cast aluminum jacket, the precision valves allow for ultimate reliability and 100% SAFE GUARD™ gas control system.

Exclusive NIGHT LIGHT™

The exclusive ceramic glass NIGHT LIGHT™ illuminates the decorative firebox even when the fireplace is turned off.

Outstanding Craftsmanship

Napoleon's distinctive porcelain enamel is glass finish baked onto cast iron at 1800° F to give you a deep, lustrous, scratch resistant and easy to clean surface. Majolica is a unique double porcelainizing process offering a rich, luxurious, long lasting finish.

High Heat Ceramic Glass

Unlike tempered glass, ceramic glass is made to withstand extreme high temperatures, allowing maximum radiant heat performance and safety.

WHISPER QUIET™ Heat Circulating Blower System

The extreme heat resistant "H" class bearings featured in Napoleon's superior heat circulating blower, creates a lasting "whole home" comfort with adjustable high & low speeds.

Convenient Remote Controls

Napoleon's remotes with digital read out and thermostatic control give you the comfort level you need at the touch of a button. The F50 remote is available in three stylish designer colours - red, grey and black.

Patented B-Vent Adapter Kits

Already have a chimney? No problem! The direct vent stove easily converts into a convenient B-Vent using Napoleon's exclusive B-Vent Adapter kit, including a standard built-in safety spill switch with automatic reset.

The Next Generation of Fireplace Design

Napoleon's new Fireplace Design Studio (FDS) allows you to design, visualize and price the perfect fireplace for your home! It's easy, it's fun and you can upload a picture of your room to see exactly how it will look. Try it out now at napoleonfireplaces.com/FDS
Also available as an iPhone App.
