THE PRIMO ADVANTAGE

Versatility

Grill, smoke, roast, or bake.

Functionality

Cook direct and indirect (grill and smoke), at the same time. Increase the total cooking surface to accommodate more food. Partition the grill to conserve on fuel.

Efficiency

With 60% more efficiency than competing cookers, Primo offers superior heat and moisture retention.

Durability

Primo's high quality ceramic frame stands up against even the most extreme cooking temperatures and weather conditions.

Quality

Each Primo is hand-made, carefully inspected for quality at our Atlanta, GA based factory, and guaranteed with a 20 year warranty on ceramic parts.

Capacity

With up to 680 sq/in of available space, the Primo Oval XL boasts the largest, multi-tiered cooking surface on the ceramic cooker market today.

Primo Grills and Smokers

The extended cooking racks not only expand the overall capacity they also allow for four independent cooking zones. Another Primo exclusive.

Use the exclusive firebox divider for simultaneous direct and indirect cooking or as a partition to divide the grill for smaller meals.

XL Oval Featured With Teak Cooking Station

“Primo is by far the most exciting grill I’ve ever cooked on!”
